NOTICE.

TO OWNERS OF SLAVES.

Type Foundry and Printers Furnishing Warehouse.

THOSE having Gold upon their lands in veins

or surface or depositaries, which they wish explored, would do well to give the subscribers a short notice, post paid, at Gold Hill, Rowan Co., N. C., as we wish to lease and operate more extensively in the Mining business. Good Miners will be despatched immediately to examine and test such mines as may be offered, but in no case will bonds be examined, but on the privilege of leasing, and no lease taken for a shorter term than three years. As persons often obtain leases with any intention of operating sufficiently to test the mines and thereby keep an encumbrance upon the premises to the prejudice of both lessor and lessee, those really desirous of thoroughly exploring them the subscribers would say, that whenever they lease they will fairly test the mines.
